

Our Group business model

We are a 24/7 'full service provider' offering 'end-to-end' support to all our customers

TR is a recognised and established global brand across a wide range of manufacturing sectors. We pride ourselves on the end-to-end support that we offer to all customers. We don't just sell industrial fastenings – we design, we problem-solve, we engineer, we manufacture, we source and we reliably deliver high quality, often complex components and logistical solutions to production lines across the world.

Our success and ongoing growth is based on a unique blend of high quality in-house manufacturing, our long-standing customer relationships, sourcing know-how and adaptable, consistently reliable global logistics.
